WORK EXPERIENCE

Volunteered as a Taekwondo instructor

Abbisinya shawline wush clube [02/04/2023 – 28/01/2024]

City: Addis Ababa

Country: Ethiopia

My fulfilling experience involved modifying teaching techniques to suit a range of needs, therefore I offered to teach Taekwondo to children with disabilities. After receiving my black belt, I began working as a child trainer. I had trained at Abbisinya Shawline Wush Clube since I was a young child. Seeing as how fragile these kids are, I decided to build a program specifically for them. Using exercises and approaches specifically designed for their needs, I help kids with disabilities develop their strength, coordination, and confidence while also encouraging empowerment and pride in themselves. It's an incredibly rewarding chance to positively influence these kids' lives by encouraging them to overcome obstacles and realize their full potential via Taekwondo practice.
